

Bulk Fill Station Instructions

Making a Prepayment

Southern Ute Utilities Division in FlowPoint Water+

Making a Prepayment

Residential customers must prepay to use the fill stations.

To make a payment securely online, click on "Make a Payment".

The screenshot shows the FlowPoint Water+ dashboard. At the top, there is a navigation bar with links for Home, Trucks, Reports, Setup, Account, and Log Out. Below this is a "Home" link with a house icon. The main content area is divided into three columns: Main, Reports, and Setup. The Main column contains links for Truck Management, Truck Transactions, and Payment List. The Reports column contains links for Truck List, Transaction List, and More Reports. The Setup column contains links for My Settings, User Management, and Change Password. On the right side, there is a "Status: My Company Name ()" section. It displays the "Current Balance" as \$0.00 and a "Make a Payment" button with a red circle containing the number 1. Below this is a "Usage Summary" table.

	Fills	Quantity	Amount
Today	0	0.0	\$0.00
This Week	0	0.0	\$0.00
This Month	0	0.0	\$0.00
This Year	0	0.0	\$0.00
All Time	0	0.0	\$0.00

Enter the amount you wish to prepay, keeping in mind that payments are non-refundable. Then click "Submit Payment".

The screenshot shows the "Make a Payment" page. At the top, there is a "Make a Payment" link with a dollar sign icon. Below this are three sections: Privacy Policy, Security Policy, and Refund Policy. The Privacy Policy section states: "We respect and are committed to protecting your privacy. We may collect personally identifiable information when you visit our site. We also automatically receive and record information on our server logs from your browser including your IP address, cookie information and the page(s) you visited. We will not sell your personally identifiable information to anyone." The Security Policy section states: "Your payment and personal information is always safe. Our Secure Sockets Layer (SSL) software is the industry standard and among the best software available today for secure commerce transactions. It encrypts all of your personal information, including credit card number, name and address, so that it cannot be read over the internet. All payment transactions are processed by Bambora using SSL and PCI compliant servers." The Refund Policy section states: "There are NO REFUNDS for water pre-purchased and paid for. This is a pre-paid water account." Below these sections is the "Make a payment" section. It features the Bambora Secure Processing logo, a text input field for "Enter Payment Amount (\$USD):*" with a dropdown arrow, and a "Submit" button. A red circle with the number 2 is placed over the input field, and a red circle with the number 3 is placed over the "Submit" button. The input field contains the value "\$5.00".

Bulk Fill Station Instructions

You will be transferred to a secure site to enter your card information. Click "Submit payment" when done.

You will be redirected back to FlowPoint. Your balance will update automatically, but it may take up to 10 minutes to be reflected at the water haul stations.
